#### LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY TELECOMMUTING AGREEMENT

THIS AGREEMENT, effective
this agreement. The parties intend to be bound as follows:
1. Scope of this Agreement. Telecommuter agrees to perform regularly assigned duties as a "Telecommuter." The MTA and Telecommuter agree that telecommuting is entirely voluntary on the part of both parties and does not constitute an employee right or benefit. Other than those duties and obligations expressly imposed on Telecommuter under this agreement, the duties, obligations, responsibilities and conditions of Telecommuter's employment with MTA remain unchanged. Telecommuter's participation in salary, pension, benefit and MTA-sponsored insurance plans shall remain unchanged.
2. <b>Definitions.</b> The terms "remote work location" or "remote workplace" shall mean Telecommuter's residence or any remote office location approved by the Telemanager. The term "central workplace" shall mean Telecommuter's usual and customary MTA work address.
3. <b>Term of this Agreement.</b> This Agreement shall become effective as of the date written above, and shall remain in full force and effect until terminated by either party.
4. Work Hours and Procedures. Telecommuter shall normally telecommute from the hours of a.m. to p.m. during any day assigned to telecommute. Temporary deviations from this work schedule shall be approved by the Telecommuter's Telemanager. During these hours, Telecommuter shall be available to make or take business-related telephone calls and, if available, the Telecommuter will program his/her office telephone to forward calls to the remote work location during telecommuting business hours. On each telecommuting day, Telecommuter shall call into the central workplace at least three times to retrieve voice mail or other messages left with department support staff.
5. At-Home Telecommuting. If assigned to work at home, the Telecommuter and MTA agree to take the following steps to assure maintenance of a quiet, work-oriented environment:
Workspace Safety. The Telecommuter agrees to keep the home telecommuting workspace free of safety hazards in accordance with telecommuting training provided by MTA. The MTA may inspect the Telecommuter's workspace at a mutually agreeable time.
<u>Child or Family Care</u> . Telecommuter agrees to make arrangements for the case of elderly household residents, sick household residents or children under age twelve that enable Telecommuter to work uninterrupted during telecommuting work hours.
Household Rules for Telecommuting. Telecommuter agrees to set household rules designed to minimize household interruptions during the telecommuting work hours. Use of dedicated workspace door signs indicating Telecommuter is working is encouraged by MTA.
Confidentiality of MTA Work Product. Telecommuter shall follow all MTA information security policies applicable to the telecommuting arrangement. MTA may inspect Telecommuter's computer to assure compliance with information security policies.
Illness or Other Leave While Telecommuting. Telecommuter agrees that any illness or other form of leave shall be approved orally by the Telemanager and Telecommuter shall report hours of work and hours of leave in the same manner as the Telecommuter would if working at the central office workspace.

### Pacific Bell

# Management Telecommuting and Virtual Office Policy

#### Issued March 1995

Pacific Bell will now actively support and encourage managers who wish to telecommute regularly and frequently as their work assignments permit. Telecommuting provides a flexible work option for our employees and supports our corporate concerns for a cleaner environment. Telecommuting may not be appropriate for some jobs and/or individuals and may not be appropriate on a full-time basis. Our company's position on telecommuting is that managers and supervisors are expected to jointly assess the position responsibilities, personal work habits, and performance relative to telecommuting to determine if it is a viable work option for managers.
